

Dear Friends –

The Welcome Home is **7** years-old! Come help us celebrate all next week, June 12th thru the 16th!

- Tuesday – Free ice cold **7**-up
- Wednesday – Additional **7%** off the regular price of in-store purchases. (excludes service and kits)
- Thursday – Birthday Cake!
- Friday – Purchase **7** pre-cut half yards and get **7** pre-cut fat quarters free.
- Saturday – Register all week, once per day, for **7** door prizes to be given away today!

Our Half-Square Project Challenge is ongoing. Submissions are due by June 30th, so participants still have time to start a project. If you need a hand-out of the rules, please stop in for a copy. (Participants agree to have the projects on display for 2 weeks. Voting will choose the winner. All participants receive a small prize.)

Alice Brickl will be teaching the Kimberbell *Jingle All The Way* Christmas Embroidered Quilt, Tuesdays in July! This is an exciting quilt with lots of wonderful techniques. Alice's fee is \$70 for all four classes, and they run July 3rd, 10th, 17th, and 31st from 11 to 3. CD purchase is required. We have fabric kits in the traditional Christmas colors that Alice used, and we have pre-cuts if you choose to use the Kimberbell-color version. If you can't make all four sessions, there is an option to come and learn just the special techniques. Please call the store for additional details.

Wanda will be teaching the Kimberbell *Hello Sunshine!* Embroidered Runner July 27th and 28th. Participants may come one day or both days (same class both days). Wanda's fee is \$18 per day or \$28 for both. CD purchase is required. There is a traditional sewing version of the runner and interested students should sign up for both days.

We will be **Row By Row 2018** participants and we've been hard at work creating our one-of-a-kind original row! This year's theme is SEW MUSICAL. Event dates are June 21st thru September 4th. Here's how it works: Row by Row Experience® began in 2011 with 20 quilt shops across New York State. Today thousands of stores across the US, Canada and Europe welcome travelers through their doors. The quilts created with those rows are stunning... and no two are alike! Although the quilt shops are organized by area, quilters have no borders. Travel, shop, collect patterns and add rows to your quilt from anywhere! **All patterns are free to participants, but you must visit the shop in person to receive your free pattern. There's a project challenge available if you're interested as well. Visit <http://www.rowbyrowexperience.com/> for all the details.**

June's Favorite Product: Squedge Rulers!

There are a wide variety of these rulers by Philips Fiber Arts to choose from.

The featured product as listed above will be 10% off!

Please mention email. Valid 6/10 thru 6/30/18. May combine club discount.

5th Saturday Bag Sale

To those who qualified for the 2018 5th Saturday Bag Sale – Our second date is June 30th from 9 to 1. Be sure to bring your bag! Participants receive 20% off the regular price of whatever fits in the bag! 5th Saturdays this year are in March, June, September, and December.

THE CHEERFUL GIVERS will be having another SEW DAY at The Welcome Home! Our group is open to all sewers, and we make quilts for the local homeless shelters. We will also accept written application for quilts to go to worthy individuals. We ask that those who are interested, please donate 12-1/2 unfinished quilt squares/blocks – any color, any pattern. They can be dropped off during store hours thru August 31st. At Sew Day, we will do all the piecing of rows. On our last Sew Day of the year, we will put on bindings. In between that time, anyone interested in quilting/longarming, we would love your participation, as little or as much as you can.
