

Dear Friends –

We have 13 AMAZING ENTRIES to the Jumping Jelly Bean Project Challenge. Please stop in to cast your vote by March 24th. (Participants may pick up their projects at 1 PM on the 24th or anytime the following week. Voting will choose the winner. All participants receive a small prize.)

Have you ever wanted to learn BARGELLO? Well, Deb's your girl! She's teaching a Saturday series, beginning Saturday, March 24th from 10 to 1. There are four Saturday classes (not in a row) to complete a beautiful Bargello Heart. Deb's sample is awesome! You can even enlarge the pattern to make a larger quilt. Please call Deb at The Welcome Home to get details and register.

We will be Row By Row 2018 participants! This year's theme is SEW MUSICAL. Event dates are June 21st thru September 4th. Here's how it works: Row by Row Experience® began in 2011 with 20 quilt shops across New York State. Today thousands of stores across the US, Canada and Europe welcome travelers through their doors. The quilts created with those rows are stunning... and no two are alike! Although the quilt shops are organized by area, quilters have no borders. Travel, shop, collect patterns and add rows to your quilt from anywhere! **All patterns are free to participants, but you must visit the shop in person to receive your free pattern. We hope to have two options this year! There's a project challenge available if you're interested as well. Visit <http://www.rowbyrowexperience.com/> for all the details.**

THE CHEERFUL GIVERS, after a long hiatus, will be returning to The Welcome Home! Our group is open to all sewers, and we make quilts for the local homeless shelters. We will also accept written application for quilts to go to worthy individuals. We will have two work days per year, Spring and Fall. In the meantime, we ask that those who are interested donate 12-1/2 unfinished quilt squares/blocks – any color, any pattern. They can be dropped off during store hours thru May 24th. On our first Sew Day, we will do all the piecing of rows. On our 2nd Sew Day, we will put on bindings. In between that time, anyone interested in quilting/longarming, we would love your participation as little or as much as you can.

At The Welcome Home, we're happily whittling away at the list of people who can say "They've never won anything." !
